Seeing Christ in Everyone

2010-11 School Year

Welcome to Elk Island Catholic Schools

Elk Island Catholic Schools (EICS), part of Alberta's publicly-funded education system, serves the communities, and surrounding areas, of Camrose, Fort Saskatchewan, Sherwood Park, Strathcona County, and Vegreville.

At EICS, our mission is to develop educational opportunities in the context of Gospel values, where students' gifts and talents are celebrated and nurtured through lifelong spiritual and personal experiences.

Through the efforts of our caring and dedicated parents and staff, our students are provided with a faith-based learning environment where they are safe and supported as they strive toward excellence in academics, athletics, fine arts and spiritual growth and development.

We look forward to meeting you and welcoming you into our Elk Island Catholic School Family!

Dr. Chris Diachuk,
Superintendent of Schools

Our School Programs

EICS offers quality, Catholic education programming for grades Kindergarten to 12. Our wide-variety of programs provide students with the opportunity to become valuable community members - before and after graduation. The following are only some of the specialized programs we offer.

Language Programs:

French Immersion is designed for children who do not speak French at home. It provides students with the ability to live, learn and work in both French and English and creates the foundation for the exploration of other languages.

French Immersion is offered at École Our Lady of Perpetual Help School for Grades K-9 and at Archbishop Jordan Catholic High School for Grades 10-12.

Ukrainian Bilingual Program is designed for students who have no Ukrainian experience or background. It follows the Alberta Program of Studies in all subject areas and is taught through Ukrainian Language Arts. It is integrated into other subject areas as well, including technology, computer skills, and Ukrainian cultural programs.

Our Ukrainian Program is offered at Father Kenneth Kearns Catholic School for Grades K-6; Jean Vanier Catholic School for Grades 7-9; and Archbishop Jordan Catholic High School for Grades 10-11.

Spanish Language Training is offered at École Our Lady of Perpetual Help Catholic School beginning in Grade 4, as well as at St. Mary's Catholic School (Grades 7-12).

CTS Programs:

At EICS, students have access to state-of-the-art labs where they are given a hands-on opportunity to explore Career and Technology Studies (CTS) subjects like Food, Art, Construction, Fabrication, Video and Communications Technologies.

Information on CTS Programs of Study is available on the Division website at www.eics.ab.ca. To learn about specific CTS Programs offered at your child's school, please contact the school principal.

EICS Athletics:

All EICS schools have athletics programs. For more information about athletics offered at your child's school, please contact the school principal or visit the school website.

EICS Sports Program is a combined option and physical education class. It's open to any Grade 7-8 student at Our Lady of the Angels Catholic School. In addition to the regular physical education curriculum, the program includes hockey, golf, judo, indoor soccer, yoga, water sports, triathlon, taekwando, and career and wellness.

Student Services

EICS offers a wide-variety of services to all students - from accessing technology, assistance, and support to providing guidance and special programming.

School Guidance and Counselling:

Comprehensive School Guidance and Counselling programs are available at all schools throughout EICS. School counsellors play an important role in our schools by providing developmental guidance instruction, responsive services, and individual student planning. They are also members of EICS' Critical Response Teams, which are available to respond to any emergency situation that may arise. Referrals for school counselling can be initiated by students, parents or teachers.

Special Education:

Special Education Programming is available at all schools throughout EICS in order to help students with special needs reach their full potential and become valuable community members.

We offer individualized programs that emphasize a range of interventions depending on the student's needs. Interventions and program planning aim to help maintain the student in an inclusive setting.

Brighter Beginnings is a special early intervention program offered by EICS for three to five year olds who qualify for Program Unit Funding.

LifeSkills, a special program for junior and senior high school students with developmental disabilities, is also offered by EICS.

Psychological Services:

Psychological services are available throughout the Division. These important services provide direct support to parents and school staff in identifying and assisting students who have special needs.

To learn more about our schools and programs, please visit our school websites listed in the School Directory section of this brochure.

Information for EICS Parents

Parents as Educators

We believe that parents are the primary educators in their child's life, and therefore, play an important part in their child's overall education. Parents are encouraged to work closely with school principals and staff and to get involved in the school community.

Active and Involved Parents

What better way to get to know your school community than by volunteering? At EICS, each school has an active School Council made up of parent volunteers. At the Division level, parents are represented through the Parents' Communications Committee, which is made up of members from all School Councils.

Additional Information

If you have questions regarding your child, please call the school and make an appointment to see the teacher, the counsellor or the principal;

If your child has special needs and you are interested in learning about programs and services, please contact your school's Student Services Facilitator;

If you have questions about your child's school, please contact the school principal for an appointment, or for general information, visit your school's website;

If you would like to know more about EICS or about our school system, please contact the Education Centre or visit our website at www.eics.ab.ca.

Transportation

EICS provides transportation for all students in Grades K-12 who reside more than a 2.4 km walking distance from their designated school. Payride busing is available for students within the 2.4 km walk zone; however, parents must submit a Student Transportation Request Form at their child's school.

Detailed information about transportation, including online registration, is available on our website at www.eics.ab.ca or by contacting the transportation department at 780-449-6480 or eics@eics.ab.ca subject Transportation.

Registering Your Child

You can register your child in three easy ways:

- 1- In person at any of our Catholic schools
- 2- Online at www.eics.ab.ca
- 3- At the Catholic Education Centre
