

Administrative Procedure 131

SCHOOL DAY

Background

The length of the school day shall be in accordance with legislation and pursuant to the procedures established by the Superintendent.

Procedures

1. The Superintendent, in consultation with the Principal, will establish the length of the school day for Division students.
2. While staff and students are involved in extra-curricular activities within and outside the physical school plant, the school day may be extended and Board policy and Division administrative procedures are in effect in such cases.
