## BUDGET 2013-2014

ELK ISLAND CATHOLIC SCHOOLS
Seeing Christ in Everyone

## 2013-14 Budget Report Table of Contents

Executive Summary ..... 1
Schedule A: Budget Assumptions ..... 9
Schedule B: Projected Full-Time Equivalent Enrolment Report at Sept 30, 2013 ..... 12
Schedule C: Projected Class Sizes (All Subjects) ..... 13
Schedule D: Division Financial Reporting ..... 14
Schedule E: Detailed Site Budget Reports ..... 17

## EXECUTIVE SUMMARY

Elk Island Catholic Schools (EICS) has a total budget of $\$ 65.1$ million and provides Catholic education services to the citizens of Strathcona County, Fort Saskatchewan, Camrose and Vegreville. The Division serves approximately 5,900 students from Kindergarten to Grade Twelve within sixteen schools. Overall, the Division is expecting a deficit of $\$ 173$ thousand that will be covered by in year reserve movements.

The executive summary presents highlights of the budget and organizational information of the school division.

## Governance

As per Board Policy 2, "the duty of the Board is to represent Catholic electors and advocate for publicly funded Catholic education in a broader context. The Board is charged with the responsibility of providing, for its students and their parents, an education system organized and operated in their best interests. It exercises this responsibility through setting of clear strategic direction and the wise use of resources."

The following budget has been prepared to reflect the mission, vision, beliefs, values and goals as set forth by the Board of Trustees in its Divisional Foundational Statements and reflect the priorities set forth in the Division's Education Plan.

## Budget Guiding Principals

## Distributed Decision Making

Elk Island Catholic Schools' 2013/14 Budget allocates revenues and decision making responsibility with the following guiding principles:

1. The distribution of decision-making responsibility will develop, and draw upon, leadership capacity within our organization.
2. Informed decisions will be made with attention to balancing choice, responsibility, and accountability, while maintaining alignment with the organization's mission, vision, legal responsibilities and principles.
3. The Division's staff will have the responsibility to make decisions about activities within the scope of their authority and will accept accountability for their decisions.
4. Individuals who have critical knowledge and expertise about a certain activity are best suited to make the necessary decisions regarding how to best achieve the goals and objectives for that activity.
5. Decision-making responsibility must be supported by equitable resource allocation
6. Equity is established through a process of collaboration and consensus building. Decision makers will endeavor to take into account the full scope of impact of their decisions, and will collaborate with those who may be affected by such decisions.
7. Information will be shared as freely as possible throughout the organization.

## Guiding Principles of Allocation:

1. Our work is first and foremost about children, and the funding allocation should provide equity so that each school (and thus each child) is treated fairly relative to all the other schools (and other students)
2. The funding allocation will proportionately distribute funds to schools based on the needs of all of their students.
3. Where a function of EICS will materially benefit from efficiencies of scale or the need for specialized expertise, the Division will centrally support that function.
4. A fiscally responsible budget will be presented while maximizing the allocation to areas that have the greatest impact on student success
5. Classroom teachers will be allocated based on class size guidelines from Alberta Education
6. Cuts to Administration funding and AISI not to be taken from the classroom

## Divisional Service Model

## Faith Community of

Engaged and Empowered Learners

Central Learning Services in collaboration with schools will continue to support faith formation and student achievement through the newly formed Learning Services department directly and by all the departments through supportive infrastructure. The framework for this support follows the principles of the "Response to Intervention" model along with strong pedagogy that focuses on the three priorities of faith formation, literacy, and numeracy. The end result is to achieve our mission as a Catholic educational community while meeting the three "E's" of the Alberta Education document "Inspiring Education" which is having all students graduate as Engaged Thinkers, Ethical Citizens, and having an Entrepreneurial Spirit.

The "Response to Intervention" pyramid recognizes that all students require core instruction and through universal assessments we can identify supports for students both academically and behaviourally. The second layer on the pyramid is where we implement targeted supports for students that require additional supports, intervention, and additional monitoring to ensure success. The top of the pyramid is where through assessment, intensive interventions are required to support student growth. Through this model, consultants and school staff work together and form learning teams to determine professional development for staff that provides them the tools, knowledge, and skills to serve all of our students.

Our model of service is a model of relationships. Collaboration between the home, school, and parish will continue to be at the heart of our work. We know that research supports that the most important relationship in an education system is that between the student and the teacher. When we support the teacher, we are supporting the student.

## Enrollment

Elk Island Catholic Schools is expected to have 5,667 full-time equivalent (FTE) students enrolled in Kindergarten through Grade twelve in the 2013-2014 school year which is an increase of 124 FTE students over the previous year. Enrolments are projected by the site administrators based on current registrations and expected in and out migration until September 30, 2013. Projected enrolment at September 30, 2013 and comparative figures for the past four years are shown on Schedule B.

| Area | $\mathbf{2 0 1 2 / 1 3}$ | $\mathbf{2 0 1 3 / 1 4}$ | Change | \% Change |
| :--- | ---: | ---: | ---: | ---: |
| Sherwood Park | $3,019.0$ | $3,111.5$ | 92.5 | $3.06 \%$ |
| Vegreville | 505.0 | 488.0 | $(17.0)$ | $-3.37 \%$ |
| Camrose | 667.5 | 728.5 | 61.0 | $9.14 \%$ |
| Fort Saskatchewan | 969.5 | 990.0 | 20.5 | $2.11 \%$ |
| Rural Strathcona County* | 382.0 | 349.0 | $(33.0)$ | $-8.64 \%$ |
| Total | $\mathbf{5 , 5 4 3 . 0}$ | $\mathbf{5 , 6 6 7 . 0}$ | $\mathbf{1 2 4 . 0}$ | $\mathbf{2 . 2 4 \%}$ |

*Includes St. Luke and Holy Redeemer Schools. 22 2012/13 Grade 8 students will be moving from Holy Redeemer to Archbishop Jordan for Grade 9.

## Class Sizes

Elk Island Catholic Schools continues to invest resources in classroom teaching staff to support student success. The Division is expected to meet Provicial guidelines for classroom sizes, which are denoted in brackets below, in all levels except K-3, which was not possible due to availability of classroom space in EICS' early years schools. Expected class sizes and comparative figures for the past two years are shown on Schedule C.

|  | 2012/13 | 2013/14 | Change |
| :--- | ---: | ---: | ---: |
| K to 3 (17) | 21.2 | 19.4 | $(1.8)$ |
| 4 to 6 (23) | 23.8 | 22.5 | $(1.3)$ |
| 7 to 9 (25) | 23.4 | 25.0 | 1.6 |
| 10 to 12 (27) | 22.4 | 25.6 | 3.2 |

## Revenues

## Provincial Funding

Elk Island Catholic Schools is dependent on the Provincial Government, which provides over $95 \%$ of funding. The impact of the 2013 budget has impacted the programs as follows:

## Instruction

The Alberta Initiative for School Improvement (AISI) was eliminated as of April 1, 2013. As a result, the Division lost $\$ 375$ thousand in funding. There was also change to the rates for high school credits and the Equity of Opportunity grant for urban schools, which will result in another $\$ 408$ thousand reduction to expected instructional grants. With cuts to English as a Second Language funding to five years down from seven and a $2 \%$ increase in inclusive funding and class size funding, it is expected that the instructional block will see a total reduction of \$783 thousand excluding impacts of enrolment changes.

## Administration

The Administration block, which funds central support services, was reduced by an estimated $\$ 281$ thousand. The cap of allowable Administration expenditures was also reduced by ten percent. An addition cut of $\$ 60$ thousand is also required as a result of eligible revenues also being reduced, resulting in a decrease of $\$ 341$ thousand to the Administration block.

## Plant Operations and Maintenance

\$339 thousand was cut from Plant Operations and Maintenance, which consisted of an expected cut of $\$ 199$ thousand from Infrastructure Renewal, which is used to fund projects that maintain school buildings and $\$ 140$ thousand from the operating grant as a result of the elimination of the differential for severe special needs.

## Transportation

$\$ 175$ thousand was cut from Transportation, through the elimination of funding to support high fuel costs.

## Fees

## Transportation

In order to maintain current service levels, Transportation fees have been increased by $\$ 50$ for non-eligible students and noon hour bus service and field trip fees, which are set on a cost recovery basis, have been increased to reflect increased costs. A school of choice fee, which is charged when a student attends a school other than the one designated by boundaries, also was established. Overall, the additional fees are expected to provide an additional $\$ 83$ thousand to provide transportation services.

## Plant Operations and Maintenance

School rental fees, which are charged to cover the staffing, maintenance and utility costs, were increased by $\$ 1$ per hour to cover increased costs.

## Expenditures by Program

Funding is allocated to division programs and services to ensure that programs meet the needs of students and schools remain viable. The $\$ 64.9$ million of funding resources are allocated to five major program areas. The five major programs include Instruction, Plant Operations and Maintenance, Transportation, Administration and External Services.

## Instruction

Instruction is the allocation to all schools (early, middle and high) and other instructional programs and services offered to provide educational opportunities to students within the school division. Instructional services provided centrally, such as Religion Services, Learning Services, System Instructional Support and Technology Services are also included in the Instruction program.

## Schools

Under the principles of Distributed Decision Making, school administrators have been provided with an allocation that is designed to fund schools based on Alberta Education's recommended class sizes and the unique needs of students and programs offered by the school. School Principals are provided flexibility to allocate resources to areas that will have the greatest impact on student success in their buildings. Where the allocation did not address a school's ability to address the needs of all of its students, an amount was held back and was allocated by school principals and central leadership to address these needs.

## Central Instruction

To align with the Divisional Service model, the Curriculum and Student Services departments have been consolidated into one department with a common goal of serving the needs of all students. The department will continue to offer some professional development previously provided under AISI and will continue the same level of professional supports for special needs.

Technology Services provides software, hardware and infrastructure support to serve students in a $21^{\text {st }}$ Century learning environment. As part of its budget, there is $\$ 517$ thousand that is utilised to provide technology for schools and $\$ 156$ thousand to support network infrastructure. New for the 2013/14 school year, as determined by the Tech Steering Committee, schools will now have the flexibility when the lease on its hardware is expired to determine the composition of Division approved hardware to best serve the needs of its staff and students.

## Plant Operations and Maintenance

The Plant Operations and Maintenance activities relate to the division's responsibility for the construction, operation, maintenance, safety and security of all school buildings. PO\&M also includes the provision of funding for supported debenture debt payments from the Province of Alberta, the amortization of supported capital assets and Infrastructure Maintenance Renewal program (IMR).

The PO\&M block was faced with significant challenges due to a structural deficit of \$360 thousand and an operations funding cut of $\$ 140$ thousand and as a result was required to make significant cuts to its service delivery. The department is undergoing an operation review to determine other savings to ensure sustainable operations.

## Transportation

The Transportation program relates to all activities of transporting students to, from and between schools. In order to continue achieve a high standard of service delivery in spite of a reduction in revenues, the transportation department will be moving grades 7-8 students on to yellow school busses and will be optimizing the routes in Strathcona County to ensure ride times do not see an increase.

## Administration

Administration includes Board Governance, Office of the Superintendent, Office of the Secretary Treasurer and Human Resources.

The Administration block received significant cuts of \$340 thousand to its funding in the 2013/14 school year and was required to make reductions to not draw resources from the classroom. As a result of changing financial/HR software, the Administration block was able to save $\$ 120$ thousand, but with anticipated costs of $\$ 100$ thousand for the upcoming election, was required to cut \$320 thousand in staffing, supplies and services.

Overall, Administration is projected to spend $3.64 \%$ of total expenditures, which is below the $3.77 \%$ that it is allowed by Alberta Education based on projected enrolments.

## External Services

External Services are those services done on behalf of another organization, such as the Student Health Initiative or secondments to the ATA that are done on a cost recovery basis.

## Expenditures by Category

## Human Resources

Division staffing has the greatest impact on the educational opportunities provided to students within Elk Island Catholic Schools and consequently makes up 78.0\% of the division's budget. The collective agreement for teachers expired August 31, 2012 and negotiations for the teachers are still underway, however, based on the framework agreement that was ratified by both parties, a 0\% increase is being budgeted. Increases for Transportation and CUPE employees will be $2 \%$.

The division will employ 338.27 full time equivalent certificated staff in 2013-2014. 2013-2014 will see an overall increase of 12.29 certificated staff, consisting of an increase of 14.09 teaching staff, 0.50 counsellors and 0.30 facilitators, offset by a decrease of 2.60 central office staff.

The division will employ 205.50 full time equivalent support staff (CUPE, CEP, Transportation and Non-Association), which is an overall decrease of 12.38 FTE from last year. Our education assistants will see a decrease of 0.25 , while other school based support positions will decrease by 1.43. There is a planned decrease in school based custodial staff of 3.80 as well as a decrease of 1.00 maintenance staff. Central office support staff will see a decrease of 5.90 FTE over last year.

|  | $\mathbf{2 0 1 2 / 1 3}$ | $\mathbf{2 0 1 3 / 1 4}$ | Change |
| :--- | ---: | ---: | ---: |
| Instruction |  |  |  |
| School Based | 428.7 | 441.8 | 13.1 |
| Central Office | 19.0 | 14.0 | $(5.1)$ |
| Total Instruction | 447.7 | 455.7 | 8.0 |
| Administration | 16.8 | 13.4 | $\mathbf{( 3 . 4 )}$ |
| O\&M | 41.4 | 36.6 | $\mathbf{( 4 . 8 )}$ |
| Transportation | 38.0 | 38.0 | - |
| Total | $\mathbf{5 4 3 . 9}$ | $\mathbf{5 4 3 . 8}$ | $\mathbf{( 0 . 1 )}$ |

Benefit provider costs are expected to decrease by $2 \%$. Pension costs for Teachers are fully funded by the Provincial Government while pension costs for support staff are estimated to go up by 8\%. Employment Insurance and Canada Pension Plan rates are expected to increase by $6 \%$ and $2 \%$ respectively.

The Division is forecast to spend approximately $\$ 50.8$ million on human resources, which is an increase of 1.98 percent over last year.

## Supplies and Services

The costs of most supplies and services are not expected to increase significantly this year as the CPI for Alberta is current sitting at less than a one percent increase. The largest changes to this category will be a $7 \%$ increase for property insurance and $10 \%$ for liability as well as the elimination of the discount received on textbook purchases. The $20 \%$ cut to Infrastructure Funding will reduce planned spending in this category year over year. Currently, the Operations and Maintenance department is reviewing its operations to reduce electrical and natural gas consumption however, the impact of these changes will not be known until the year progresses.

## Financial Impact

Overall, the division is expecting an operating deficit of $\$ 173$ thousand, which will be covered by in year reserve movement related to amortization. As per the Division's past practices, reserve movements related to the amortization of unsupported assets will continue to replenish operating reserves rather than capital reserves. During the 2013-14 school year, a capital replacement plan will be developed in order to allocate the appropriate amount between capital and operating reserves.

The division is expecting Accumulated Operating Surplus (A.O.S.) of $\$ 3.48$ million as at August 31, 2013. In the 2013-2014 budget, as a result of the operating deficit and amortization reserve movements, the balance at the end of August 31, 2014 for Operating Reserves is estimated at $\$ 3.72$ million, which is an increase of $\$ 243$ thousand. Excluding operating reserves intended for capital replacement, the Division is projected to have a $3.38 \%$ A.O.S. to expenditure ratio at the end of 2013-14, which falls within the $2 \%$ to $4 \%$ recommended by Alberta Education.

A summary of Elk Island Catholic Schools' budgeted revenues, expenditures and operating reserves is shown on Schedule D.

The following table outlines the opening assumptions used in developing the 2013-2014 operating budget, the basis for the assumption and the risk associated if the assumption is not correct or other factors influence the original assumption made.

| Budget Area | Assumption | Basis for Assumption | Associated Budget Risk |
| :---: | :---: | :---: | :---: |
| Enrolment | Overall enrolment increase of 124 FTE students (2.24\%) broken out as follows: | This preliminary assumption is based on past trends and current enrolments. A review of students will be prepared by each school Principal using the principles of "Cohort Survival" where students automatically move by grade to the next grade in the upcoming year ECS numbers are estimated based on current registrations and historical information. | Risk of not achieving estimated enrolments will result in decreased revenues and adjustments will need to be made to programming and staffing or risk budget deficit. Risk is low, as there is a trend to have more students on September $30^{\text {th }}$ than projected in the previous spring. |
| Average CEUs | Average CEUs are estimated at 37.75 per grades $10-12$ student. | Average CEU per student is calculated by reviewing average CEU's earned over a three year period, student transfers from feeder schools and assessing a reasonable amount using known information. | If average CEU's are below the estimate, there will be less revenue for the district and for the high schools. If CEU's are higher than average, then there may be an amount of revenue that could have been allocated. |
| Grant Revenues | Base rates remain at 12/13 rates. Class size increase of 2\% <br> Inclusive Education increase of 2\% <br> Elimination of AISI and Fuel Price Contingency Grant <br> Reductions in Administration, O\&M, IMR and Equity of Opportunity grants | The Provincial Grant rates are known and allocated to school jurisdictions to support approved education programs for students in ECS to Grade 12. Revenues are calculated using the applicable formulas, rates, and criteria from Alberta Education’s Funding Manual for School Authorities. | As the Provincial grant rates are known there is no associated risk. |

| Budget Area | Assumption | Basis for Assumption | Associated Budget Risk |
| :---: | :---: | :---: | :---: |
| Teacher Salary Costs | ATA Salary Increase $=$ TBD <br> Average teacher salary cost: \$88,587 <br> Average teacher salary and benefits cost: \$100,024 <br> Grid movement cost: \$1,409 | Collective agreements for ATA have expired August 31, 2012. Negotiations are still in progress. <br> Average salaries are used for all school based positions and are determined by advancing the experience grid of the current staffing. Principal and administrative positions include negotiated allowances as per the collective agreement | Risk that teacher salaries will be higher than the average teacher salary included in the budget. Risk is low as retirements tend to lower the average salary. <br> Salary Estimates are revised September 30, if required. |
| Support <br> Staff <br> Salaries | Trans: 2\% <br> CUPE: 2\% <br> CEP: TBD <br> NA: TBD | Collective agreement for the CEP has not been settled. Average salaries are used for all school based positions and are determined by advancing the experience grid of the current staffing | Risk that agreements not yet settled may have higher salary costs than budgeted. |
| Benefit <br> Provider <br> Rates | ASEBP Rates are estimated to decrease on average by over $2 \%$. <br> LTD: -2.40\% <br> EHC: -2.04\% <br> Dental: -2.10\% <br> Vision:-2.05\% | As per March 2013 ASEBP Trustee Report | Risk is low as this is based on information from ASEBP. |
|  | EI rates to increase by 6\% CPP rates to increase by 2\% | Based on 2013 increases. | Risk is low as drastic changes to rates have not been announced. |

## Budget Area

## Pension <br> Costs

Overall
Benefits
Costs to EICS

## Services <br> and <br> Supplies <br> Costs

Local Authorities Pension Plan contribution rate increase estimated at 8\% effective January 1, 2014.

Employer contributions for Alberta Teachers Retirement Fund contributions made by the Provincial Government

ATA: 12.9\%
Trans: 18.3\%
CUPE: 21.3\%
CEP: 23.3\%
NA: 22.0\%

It is assumed that instructional goods and services costs will not increase materially, except for the price of textbooks due to the cutting of the 20\% Learning Resources Credit.

Insurance will increase by 7\% for property and $10 \%$ for liability.

Utility rates will remain at 201213 levels.

## Basis for Assumption

LAPP Trustees review the actuarial valuations and assess rates accordingly.

Benefits rates applied to projected salaries as a percentage of projected salaries.

The annual increase in the Statistics Canada CPI for Alberta as of February 2013 is $0.9 \%$. Site administrators enter expenditures into site budgets based on programming and support initiatives.

## Associated Budget Risk

Risk, if LAPP Board decides to implement mid-year increase, January 1, 2014.

None as fully funded by Provincial Government.

Risk is low as rates have been set

Risk is low

| Schedule B <br> Projected Full-Time Equivalent Enrolment Report at Sept 30, 2013 2013-14 May Budget |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |  |
