

Field Trip / Excursion Annual Consent Form

I/We understand that the Elk Island Catholic Separate School Division (the "Division") arranges for students/children in the Division to participate in field trips, which, in the opinion of the Division, have definite educational, athletic, or cultural value and are considered in the category of **low risk** activities. These day trips are very common and happen quite regularly throughout the school year. This form is not intended to request your approval for field trips that are considered high risk activities. A separate permission form will be sent home for high risk field trips.

I/We understand that any medical information requested would be collected for the purpose of student safety during field trips, including student athletic events (which are generally considered to have an inherent element of risk of injury despite all safety precautions).

I/We, being the custodial parent(s) or guardian of:

(the "student"), consent to the student participating in any such field trips arranged by the Division, and we authorize the participation by the student. It is understood that my/our consent and authorization are subject to the following conditions:

- (1) The Division will be responsible for any injuries and damages suffered by the student while participating in any such field trip that arises **as a result of the negligence of the Division**.
- (2) The Division, through the relevant school, will advise me/us in writing of the following particulars of any field trip two weeks, if possible, and at least three school days, at minimum, prior to the intended date of the field trip:
 - (a) destination;
 - (b) arranged supervision;
 - (c) date(s) and time(s);
 - (d) transportation plans;
 - (e) associated risks that should be highlighted regarding the field trip;
 - (f) costs, if any; and,
 - (g) a telephone number through which additional information on the field trip may be obtained.
- (3) I/We have the right to advise the Division, through the relevant school, in writing, at least two school days before the commencement of any particular field trip, that I/we do not consent to the student participating in the field trip, in which event my/our consent and authorization will be considered as withdrawn for the particular field trip and the student shall not be allowed to participate in such field trip.
- (4) I/We have read, as per the reverse, the students' responsibilities and have discussed these with my child and I will comply with the parents'/guardians' responsibilities.
- (5) This consent, authorization and waiver shall be in effect for the current school year only.

Students' Responsibilities

The use of alcohol, illegal drugs, or un-prescribed prescription drugs, or the misuse of prescription drugs by all participants (field trip leader, supervisors, students) is strictly prohibited at all times during the duration of the field trip, and applies to all field trips regardless of the circumstances, the age of the participants or local laws, customs and culture, and shall apply to the field trip leader and supervisors, whether or not students are present.
