

## EICS Transportation Fees Flexible Payment Plan Options - Spring 2021

---

In order to start planning routes and schedules moving forward - EICS Transportation needs to have concrete numbers of students and addresses to start planning the routes and pick up/drop off stops for our EICS bus riders.

With respect to specific concerns about transportation fees and the payment plan, EICS has provided two options: 1. June 15 to December 15, or 2. September 15 to March 15.

**Once the plan has been set up, your child will be assigned to the bus.**

Below, we have included some easy steps that parents can take to access transportation fees and specifically the payment plan. If you have any questions regarding this, please do not hesitate to contact EICS transportation at [transportation@eics.ab.ca](mailto:transportation@eics.ab.ca) or by calling (780) 449-6480. We want to thank you for continued patience and understanding as we move through this together.

#### District Announcements

Welcome to the Elk Island Catholic Schools Student and Parent Portal. Through this tool you can access many of the resources we provide, from grades and attendance, ton online fee payment and more.

If you have a new student to register for the district please do the following:

- click SchoolEngage Student Forms under "Forms and Fees" on the left hand side
- click the "Add Student" button to add a new student
- after adding the student, click on the student's name under students and submit the appropriate registration form from the menu on the right.

To pay school fees click the "Fees" option on the left hand side.

If you encounter any issues using these functions, please contact [regsupport@eics.ab.ca](mailto:regsupport@eics.ab.ca) with a description of your issue.

## 3. Applicable fees for your child(ren) will show up and the pre-payment plan for Transportation will have two options: Option One which has payments from June until December and Option Two which has payments from September until March.
