The Board shall approve the Division Fee Schedule during the Spring budgeting process that sets what fees may be charged and what maximums may be charged by grade level for each fee.

Within the limits set by the fee schedule, the Board authorizes the Superintendent to set and collect school fees or sub-delegate this authority, provided the following principles are followed:

Principles

1. Schools will consult with parents/guardians through their school council and school-wide communication prior to setting, increasing or decreasing school fees.
2. No parent/guardian shall pay a fee that is prohibited under the School Fees Regulation or that is for Basic Educational Services.
3. Parents/guardians shall be provided the opportunity to have their students receive Basic Education Services at no cost.
4. Fees are to be charged on a cost recovery basis and are to benefit the student of the parents/guardians who paid the fees.
5. The Division will support a transparent fee waiver procedure where the criteria and procedure for fee waivers are posted on the Division's website. The public shall be reminded annually of the fee waiver procedure.
6. The Division will refund unspent fees on a prorated basis for students who leave the Division prior to the end of the school year. Other Division fees will be refunded based on individual project plans.
7. A student's educational experience shall not be impacted by non-payment by parents/guardians. Only services related to programs of choice or non-curricular services may be denied to students as a result of non-payment of fees.
8. Parent/guardian disputes on fees shall be subject to appeal to the Secretary-Treasurer.
