

EICS Cogito Academy Parent Commitment Declaration

As a parent/guardian of a Cogito Academy student, I understand and agree to the following principles:

- EICS Cogito Academy:
 - Is a program of choice
 - Supports the full integration of Catholic Teachings throughout all subjects, including the essential component of the religious education program for all students
 - Is traditional in its teaching methods and philosophy of building on, and enriching, the Alberta Education curriculum
 - Only assesses and reports on the outcomes outlined in the Alberta Program of Studies
- EICS Cogito Academy maintains high expectations for:
 - Student engagement in all school wide Catholic celebrations, service projects, and events to foster relationships with each other and Christ
 - Student behavior, dress, and engagement to foster a safe and respectful learning environment
 - Student attendance as excessive absences disrupt learning
 - Home support for homework in a distraction-free space
 - Regular homework completion
 - Parent/School collaboration (responding to teachers requests, attending parent teacher conferences, supporting homework/agenda checks)

Should my child be at risk of not meeting program expectations or thriving in the cogito environment, I will:

- Commit to supporting and contributing to the creation and implementation of a personalized improvement plan and/or agreement that aligns with the expectations as needed. The improvement plan may or may not include items such as:
 - [Homework Agreement](#)
 - Behavior Contract

Should my child not meet with success after implementation of the personalized improvement plan or agreement, I could:

- Expect that my child will be recommended for alternative programming.

This commitment helps to ensure that Cogito Academy fosters each student's academic growth and faith within a structured, supportive environment, enabling every student to thrive in their ideal learning setting.
