

ENTRANCE AGE

Background

Students will be able to learn best when they are fully prepared in the cognitive, emotional and social domains for the expectations of the education programs that the Division has to offer.

Procedures

The following entrance ages for admission to the Division's programs have been established:

1. For schools within the communities of Fort Saskatchewan, Sherwood Park, Vegreville and Camrose:
 - 1.1 Kindergarten (ECS). Children who are five years old on or before December 31 can be registered for Kindergarten the following September.
[Please visit our Website under School Registration.](#)
 - 1.2 Grade 1 students shall be eligible for the program provided that their sixth birthday falls on or before March 1 following the opening date of school.
