

BUILDINGS AND GROUNDS SECURITY

Background

The Division will ensure that practices and mechanisms are in place that will ensure the security of its schools and other facilities.

Procedures

1. The Principal has the authority to develop, implement and monitor a school and grounds security plan to prevent vandalism, theft, and unlawful intrusion.
2. The Principal shall provide a copy of the plan to the Superintendent by the end of September.
3. The Principal is responsible for the distribution and collection of all keys for his/her school building.
